November Scoutdoor Sunday

Our next Scoutdoor Sunday will be held on November 22nd. We are still finalizing the location. This will be our annual Turkey Shoot with a couple modifications. It will be an outside event, so please dress for the weather. Instead of blowing through PVC pipe (which is not exactly Covid-friendly), we are asking that you bring your own Nerf gun (please refrain from bringing motorized guns). We will supply the darts, so please leave your darts at home as well.

November MegaHike

Our mega-hike will be taking place on November 21st at the Orland Grasslands. We will be walking the complete loop and then taking a lunch break before doing the entire loop again. You are free to stay for the whole event or only complete part of it. If you are planning to stay for the second half, please don't forget to pack a sack lunch. This hike will be part of our Hike-a-Thon. If you need more information about the Hike-a-Thon, please reach out to your den leader.

Cosley Zoo Tree Trimming

We have reserved a tree at the Cosley Zoo as a part of their Christmas Tree Lane event. We are asking dens to create ornaments for us to hang on our tree. On the day of the event, you are welcome to join us at the zoo to decorate the tree and enjoy a complimentary cup of hot chocolate. While we do not have a date for the tree trimming yet, it will be sometime between November 21st and 25th. Cosley Zoo will contact us in early November to let us know our scheduled time. There will only be one group in the zoo for tree trimming at a time.

Scouting for Food

Scouting for Food is coming up the weekend of October 24th and 25th. Each den is given a location and set of donation bags to distribute. The day and time of distribution is set by each individual den. On November 1st, we will return to our neighborhoods to collect the food. Again, the time will be set by each den, but the pick-up date must be November 1st. There will be no sorting event this year, so food will just be dropped off afterwards at our designated donation center. Please see your den leader for more information.
